

# National Alliance of Community Economic Development Associations (NACEDA) Membership Application

We are a national organization that supports and strengthens community economic development (CED) associations, local CDCs and practitioners nationwide. Comprised of state and local CED associations, the organization serves as a vehicle for developing and pursuing a national community agenda, promoting the efforts of local CDCs, and building the capacity and reach of the CDC field. Members benefit from opportunities for networking with peers and national stakeholders, bringing state and local policy expertise to bear at the national level, and building the capacity of the CED field.

We appreciate your interest in joining NACEDA. This application will help us understand more about you and how we can keep in touch with you. If you have any questions about your membership, please let us know.
